Dear,

Please find our analysis on your Question.

We thank you for giving us this opportunity to analyse your birth chart. The accuracy of the predictions depends on the accuracy of the time of birth given to us by you. Kindly note that as per Vedic Astrology the stars will control only 75% of your life and the critical 25% will be your own efforts. We wish you luck and pray to God that you overcome all obstacles in your life.

With Warm Regards

Our Answers to Your Questions

❖ Your 1st Question:

When we will have next child birth?

❖ Our Answer:

Dear ABC

It is our practice to analyse the exact period of the relevant question, through a Question Chart, in the horary process and then have it confirmed through the inherent possibilities displayed by your natal birth-chart, it being the relevant chart corresponding to the specific cosmic signature at the time of your birth that holds good for the individual through one's life.

I have analyzed your birth chart as well as the birth chart of your wife and the question chart with respect to your next child birth related question. However, the planetary combinations in all three charts are indicating some delay regarding the same. This is because, in the question chart, there is placement of fixed sign in the ascendant and dual sign in house of children, which indicates delay in the birth of your next child. However, lord of ascendant Sun and house of children lord Jupiter are placed in movable signs, which indicates conception of child in coming future. Since, house of children lord Jupiter is giving aspect on its own house and lord of ascendant Sun is going to conjunct in coming future. Hence, the period from 15th May 2024 to 15th June 2024 could play a very supportive role for XYZ to conceive your next child.

However, according to the birth charts of both of you, there are bad planetary influence on the house of children, which indicates obstacle to conceive as well as to face miscarriages with pregnancies. Hence, I would suggest that both should consult to a doctor and also perform Santan Gopal Yagna to neutralize those planetary influences in both the charts. Though, in the birth chart of ABC, house of children lord Mars is giving aspect on the house of children, but natural signifier of children planet Jupiter is placed in its debilitated sign and Rahu is placed in the house of children. Hence, the above said planetary influence on your house of children could create issue to conceive as well as to have a successful delivery.

At the same time, according to the birth chart of XYZ, planet Saturn and Mars are giving aspect on the house of children and natural signifier of children planet Jupiter is in retrograde position. Hence, this combination could create issue for her to conceive as well as to face abortion or miscarriages. So, now you can understand that why you lost your pregnancy few weeks ago. Hence, I have advised you both to consult a doctor as well as to go for Santan Gopal Yagna before going for next pregnancy to have a successful delivery of your next child.

Regarding birth of your next child, the favorable time is already going on from April 2023 to April 2024 as per the birth chart of ABC. So, again you can try till April 2024. However, as per the birth chart of XYZ, the period from May 2025 to June 2026 could play a very supportive role to conceive as well as to have a child birth. Especially, the period from 19th June 2025 to 21st November 2025 would be very supportive and favorable for XYZ to

conceive. More on this, the birth chart of ABC would also support better during the period from May 2025 to June 2026 to have your next child.

❖ **Your 2nd Question:**

How many children will we have?

❖ **Our Answer:**

I have analysed the birth charts of both of you regarding your above question but ignored the question chart, which could not play much role in this regard. Regarding the number of children, I would like to inform you that astrologically it is very difficult in today modern time to predict the number of children. Even then, here I would like to inform you that the house of children in both the charts is influenced by bad planetary placements, which could minimise the number of children. Hence, the minimum number of your children could be two, but you cannot hope more than three children in your life.

❖ **Your 3rd Question:**

Will the next child be boy or girl?

❖ **Our Answer:**

Astrologically it is also difficult to predict the gender of the next child. Even then, there is dominance of male signs in all three charts, which indicates that your next child should be a boy. Since, there is placement of male sign in the house of children of question chart as well as in your birth chart and the house of children of XYZ. Hence, as per astrological indications you can hope a boy as your next child.

Recommendation of Most Suitable Astrological Remedies

As advised above, **you should perform a Santan Gopal Yagna ASAP** in coming future to neutralise the bad planetary influence on the house of children of both the birth charts to conceive successfully as well as to have a successful delivery of next child.

Since, XYZ is going through the main period of Rahu till June 2029 and ABC is going through the main period of Rahu till June 2028. Hence, **both should wear a 7 carat Gomed in silver ring in right hand's middle finger** during this main period to get better support of Rahu in child birth as well as in other aspects of life.
