## **Position of Planet Jupiter in Your Birth Chart & It's Impact on You**

Your Vedic birth ascendant is Libra and Jupiter is lord of third and sixth houses in your birth chart. These houses represent siblings, effort, valor, enmity, health etc. In addition to this, Jupiter naturally signifies wealth, knowledge, children etc.

Jupiter is placed in the 2<sup>nd</sup> house in your birth chart in its neutral sign Scorpio in your birth chart, but it is also conjoined with Mars. As a result, you may encounter difficulties in enjoying some of its traits to your satisfaction in routine life. Its natal weakness results in financial constraints and problems on account of domestic life. Therefore, you should pay due attention towards health, family life and keep expenses under control. It would be further beneficial to remain careful from your alliances and continue to work in a specific field as long as possible.

## **Relation Between Transiting & Natal Jupiter & It's Impact On You**

Your Natal Jupiter is located in sign Scorpio. Jupiter will transit through the second house Sagittarius from your natal Jupiter after November 04, 2019. Thus, 2/12 relationship is formed between natal Jupiter and transiting Jupiter. This is more or less good for your finance. However, as your natal Jupiter is conjoined with malefic Mars, so the good effects will be minimized to some extent.

## **Impact of Jupiter Transit into Sagittarius on your Career, Finance & Romance Life**

As per Ashtakavarga calculations, the planet Jupiter has got 3 points out of 8 points in sign Sagittarius. So it is going to play 37.5% favourable role with respect to your career, finances and romantic aspects.

Jupiter would be transiting through the sign Sagittarius from 4<sup>th</sup> November 2019 to 19<sup>th</sup> November 2020.

The sign Sagittarius is the third house in your birth chart from Ascendant. The third House is the house of effort, valor & sibling. This is not a very good period for you, as Jupiter is unfavorable from your Ascendant. When Jupiter transits in the third house, it aspects the seventh, ninth and eleventh house from Ascendant. Hence, you may experience favorable results for your love & romance due to its aspect on the seventh house. You will be fortunate & may be successful in the accomplishment of daily desires, since Jupiter casts its benefic aspect on the ninth house. Jupiter's aspect on the eleventh house signifies favorable change/up-liftment in your career and increase in your income is also indicated.

## **Effect of Jupiter's Transit into Sagittarius by your Moon Sign**

Jupiter would be transiting through the sign Sagittarius from 4<sup>th</sup> November 2019 to 19<sup>th</sup> November 2020.

The sign Sagittarius is the fifth house in your birth chart from your natal Moon sign Leo. The fifth House is the house of finance, love, affection & progeny. It represents also our Past Karma as it is the ninth house of fifth house. This also indicates how we will be favored by lady luck in this life.

This is a benefic transit for you. This period indicates prosperity, enhanced prestige, respect from others, increased income, pleasure, happiness at home, interest in religion, philosophy etc. Gain through teaching is also indicated.

Despite of the above, you must give proper attention towards your home and personal life. There is a possibility that you may neglect your health.

When Jupiter transits in the fifth house, it aspects the first, eleventh and ninth house. Hence you may enjoy good health, favoritism and general happiness due to its aspect on first house. You may be successful in the accomplishment of your desires, since Jupiter casts its benefic aspect on the eleventh house. Jupiter's aspect on the ninth house signifies gain of wealth and gain through successful investments are also indicated.

**Retgression Period of Jupiter during the transit in Sagittarius:**

Planet Jupiter will turn retrograde on May 14, 2020. It will take direct motion or becomes progressive on September 13, 2020. Hence, during the retrogression period of planet Jupiter, its positive/negative effects on the native get a reverse trend or get minimized. Even then its positive or negative impact will be considered on the whole during this particular transit period.

## **Effect of Jupiter Transit with respect to current dasha period**

You are now passing through the SUB PERIOD OF SATURN in the MAIN PERIOD OF RAHU till 10<sup>th</sup> October 2019.

Saturn is debilitated in the 7<sup>th</sup> house from your Ascendant & Rahu is located in the 5<sup>th</sup> house. So according to Dasha & Antardasha of the planets during the period in consideration, the time frame is not very good in most respects.

The next sub period of Mercury till November 2020 would be a better period for domestic life & fortune.

Since Jupiter will also become favorable in transit after November 04, 2019 from your Moon sign Leo, so you may get benefic results in most aspects of life after November 04, 2019.

## **Final conclusion of transit of Jupiter in sign Sagittarius for upcoming 12 Months**

Jupiter is not a functional benefic planet in your birth chart, since it rules dusthana 3<sup>rd</sup> and 6<sup>th</sup> houses from ascendant. As a result, the transiting Jupiter would also not bless you with full benefic results.

The month of February 2020 would be favorable from the viewpoint of wealth, family and social standing. The month of August 2020 would be favorable for enjoying good health, domestic bliss and for your career. In addition to this, the month of November 2019 would be unfavorable for enjoying satisfaction from your social as well as financial status.

Regarding your concerns, in near future, the period till November 19, 2020 is favorable for your business. Saturn will however become favorable in transit after January 24, 2020 from your natal Moon sign, as it will be located in the 6<sup>th</sup> house from your natal Moon sign. This transit of Saturn is also good for your business. However till 10<sup>th</sup> October 2019, the evil effects will be minimized to some extent for your business & finance, as you are now passing through the sub period of debilitated Saturn till 10<sup>th</sup> October 2019.
